

Mapped, edited, and published by the Geological Survey in cooperation with North Carolina Department of Natural Resources and Community Development. Control by USGS, NOS/NOAA, and State of North Carolina agencies. Topography by photogrammetric methods from aerial photographs taken 1980-81. Field checked 1983. Map edited 1986. Projection and 10,000-foot grid ticks: North Carolina coordinate system, (Lambert conformal conic) 1000-meter Universal Transverse Mercator grid, zone 17 1927 North American Datum. To place on the predicted North American Datum 1983, move the projection lines 13 meters south and 24 meters west as shown by dashed corner ticks. Short dashed blue lines indicate elliptical bay outlines visible on aerial photographs.

**ROAD CLASSIFICATION**

|                                 |   |
|---------------------------------|---|
| Primary highway, hard surface   | Light-duty road, hard or improved surface |
| Secondary highway, hard surface | Unimproved road                           |
| Interstate Route                | U. S. Route                               |
|                                 | State Route                               |
