

Prepared by the Dirección del Servicio Geográfico Militar (D.S.G.M.) Asunción, Paraguay in collaboration with the National Imagery and Mapping Agency (NIMA).

LEGEND / LEYENDA. A detailed key for symbols used on the map, including categories for populated places, roads, railroads, boundaries, relief, drainage, and vegetation. It includes both English and Spanish descriptions for various symbols and features.

ELEVATIONS IN METERS / ELEVACIONES EN METROS. A section detailing the map's vertical datum, projection, and grid system. It includes a 100-meter grid square example and a 100-meter reference diagram. Text is provided in both English and Spanish.

NOTES / NOTAS. A section containing important information for users, including a warning about telephone and electric service lines, and a note about the vertical datum being based on a station in the Paraná River. It also includes a conversion graph for magnetic azimuth to grid azimuth.

BOUNDARIES / LÍMITES, ADJOINING SHEETS / HOJAS ADYACENTES, and ELEVATION GUIDE / GUÍA DE ELEVACIÓN. This section includes a diagram of the map's location within a grid of sheets, a list of adjacent sheets, and a vertical scale for elevation in meters and feet.
