LEGEND / LEYENDA. A detailed key for symbols used on the map, including populated places, roads, rivers, and terrain features. It includes both English and Spanish descriptions for various symbols like roads, rivers, and terrain features.

GLOSSARY / GLOSARIO. A list of abbreviations and symbols used on the map, such as 'AERONAUTICAL DATA' and 'BOUNDARIES'. It provides the full name for each symbol in both English and Spanish.

ELEVATIONS IN METERS / ELEVACIONES EN METROS. A section providing information on contour intervals, coordinate conversion, and a conversion graph. It includes instructions on how to read the map's elevation data and how to convert between different units.

NOTES / NOTAS. A section containing important information for users, including grid convergence, boundary representation, and instructions on how to use the map's features. It also includes a small map of the region and a conversion graph.
