100 METER REFERENCE
1. Read large numbers labeling the VERTICAL grid line to the left of the 100 meter square. This number indicates the horizontal distance in meters from the left edge of the 100 meter square to the center of the square.
2. Read small numbers labeling the HORIZONTAL grid line to the left of the 100 meter square. This number indicates the vertical distance in meters from the bottom edge of the 100 meter square to the center of the square.
