Sheet numbering system based on International Map of the World
Dashed outlines show coverage of previously published sheets, not on this system

Mapped, edited, and published by the U. S. Geological Survey in cooperation with the National Science Foundation

Control by U. S. Geological Survey

Compiled in 1966 from U. S. Navy trimetrogon aerial photographs taken 1960–1963

Names approved by U. S. Board on Geographic Names

Absence of the crevasse symbol does not necessarily indicate a crevasse-free area
