

MAPS AND DATA
This map is based on data from the Venus Global Topographic Map (VGT) project, which is a joint effort of the U.S. Geological Survey and the U.S.S.R. Academy of Sciences. The VGT project is a continuation of the Venus Global Topographic Map (VGT) project, which is a joint effort of the U.S. Geological Survey and the U.S.S.R. Academy of Sciences. The VGT project is a continuation of the Venus Global Topographic Map (VGT) project, which is a joint effort of the U.S. Geological Survey and the U.S.S.R. Academy of Sciences.
